

## **Cause I'm in Heaven**

My loved ones, don't you cry.  
I'm as happy as can be.  
I've got the best of two world's  
Cause I'm in Heaven.

There is no pain or sickness  
And my soul is flying high.  
There is so much love and beauty  
Cause I'm in Heaven.

My life, it has not ended.  
I am more alive today,  
With God and our brother Jesus  
Cause I'm in Heaven.

I am watching over you.  
I am nearer than you know.  
And I will never go away  
Cause I'm in Heaven.

Try not to feel so lonely  
And think of me in tears.  
Be happy for me always  
Cause I'm in Heaven.

Someday, when the time is right  
We will be together again,  
With God, and our brother Jesus  
Cause we'll be in Heaven.
