

## Home Away From Home

"Home away from home"  
That's what the angels say.  
As they keep their watch  
Over you and I today.

Our souls came down from Heaven  
To brighten up the Earth.  
To give hope and joy to everyone,  
The reason for our birth.

To learn what God has in store  
And know what life is about.  
To find our way back to Him.  
For His Love, we'll have no doubt.

So trust in God our Father,  
With all your heart and soul.  
He will show you the greatest gift  
Is love, it will make you whole.

Just when the time is right  
And our work for God is done,  
We'll be angels again in Heaven  
And victory we will have won
